NOTES:

- Please use above part numbers when ordering.
- For three phase motors, substitute "*" with "M" for 208-230/460 V or "P" for 575V
- **NOTE: For "LM" (Less Motor), please specify motor frame size.**
- "LM" = Less Motor, and does not include a taper lock bushing for blade.
- + Customer responsible for final balance.
- Other motor options available. Consult factory.

NOTES:

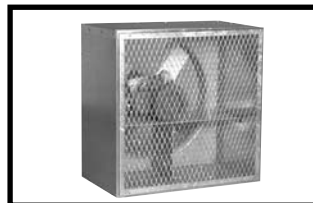

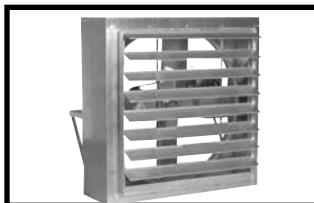

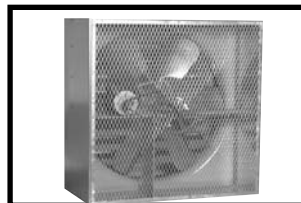

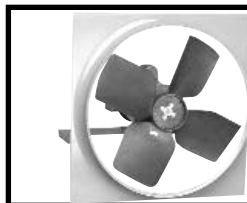

- Please use above part numbers when ordering.
- For three phase motors, substitute "3P" with "M" for 208-230/460 V or "P" for 575V.
- Other motor options available. Consult factory.

Electric motor efficiency regulations now in effect. Standard efficiency motors available only while quantities last. Call for details and pricing.

NOTES:

- Please use above part numbers when ordering.
- For three phase motors, substitute “*” with “M” for 208-230/460 V or “P” for 575V
- **NOTE: For “LM” (Less Motor), please specify motor frame size.**
- “LM” = Less Motor, and does not include a taper lock bushing for blade.
- + Customer responsible for final balance.
- Other motor options available. Consult factory.

- NOTES:**
- Please use above part numbers when ordering.
 - For three phase motors, substitute "*" with "M" for 208-230/460 V or "P" for 575V
 - **NOTE: For "LM" (Less Motor), please specify motor frame size.**
 - "LM" = Less Motor, and does not include a taper lock bushing for blade.
 - + Customer responsible for final balance.
 - Other motor options available. Consult factory.

NOTES:

- Please use above part numbers when ordering.
- For three phase motors, substitute "*" with "M" for 208-230/460 V or "P" for 575V
- **NOTE: LMLD = Less Motor, Less Drives, and does not include pulleys, belts or bushings. It does include the shaft, bearings and taper lock bushing for the blade if required.**
- + Customer responsible for final balance and must specify frame size at time of order.
- Other motor options available. Consult factory.

NOTES:

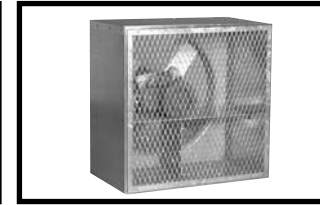

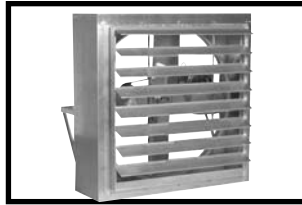

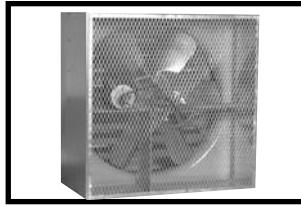

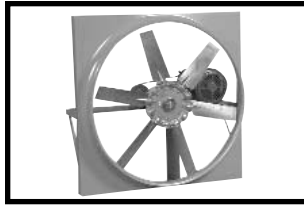

- Please use above part numbers when ordering.
- For three phase motors, substitute "3" with "M" for 208-230/460 V or "P" for 575V
- **NOTE: LMLD = Less Motor, Less Drives, and does not include pulleys, belts or bushings. It does include the shaft, bearings and taper lock bushing for the blade if required.**
- + Customer responsible for final balance and must specify frame size at time of order.
- Other motor options available. Consult factory.

NOTES:

- Please use above part numbers when ordering.
- For three phase motors, substitute "*" with "M" for 208-230/460 V or "P" for 575V
- **NOTE: LMLD = Less Motor, Less Drives, and does not include pulleys, belts or bushings. It does include the shaft, bearings and taper lock bushing for the blade if required.**
- + Customer responsible for final balance and must specify frame size at time of order.
- Other motor options available. Consult factory.
